SOCIETY INC.

Dear Members

28 MAY 2009

The great start to the year has continued with the successful defence of the **Wide Bay Capricorn Inter Club Challenge Show Trophy** in Bundaberg. Our Young Bird Selection Show had 11 exhibitors and 146 entries, both figures being up on last year's show.

Scott Arthur and I have just returned from the **Zone Selection Show in Townsville** where our team performed credibly to win the trophy for the most aggregate points (3 for first, 2 for second and 1 for third), with 27 out of the 66 birds selected in the team being CBS birds. 20 of the 44 birds benched in Tasmania were CBS birds. Congratulations to Bruce Schuster on winning the Danish Recessive Pied class in Tassie.

Congratulations to Ian Schneider who has been given the honour of judging the ANBC Championship Show in Tasmania.

There has been a deal of discussion and interest in our **Annual Auction**. A lot of out of town exhibitors and breeders have indicated that they will be making the trip to our Auction on the Queen's Birthday weekend. Recent Auctions have tended to be more of a buyer's market so there should be some good bargains. Let's hope we can all get a bird to improve our stock. Don't forget the **Pre-Auction dinner** at the Berserker Tavern on the Saturday night before the Auction. It's always an enjoyable night

What has been great is the effort of **Russell Ogden in updating our website** and having our Auction catalogue being put onto our website. Russell is aiming to continue to update and upgrade the site so keep checking on our site as it is a convenient way to communicate with members.

The 2010 ANBC Show will be hosted by our Zone. The Committee can now confirm that the venue is the Leichardt Hotel, with the meet and greet scheduled for the Great Western Hotel. Those southerners and overseas visitors should enjoy the bull rides. The Committee have done a tremendous job in getting this organized, with over 200 'Information Packs' being sent for distribution at this year's Nationals in Burnie.

The meetings continue to generate discussion on various topics. The table Show birds have been a catalyst in keeping our focus on the birds. Don't forget that **Table Shows** have been split into Beginner and Open sections, with the best Any Age, Young Bird and Nestfeather in each section receiving a \$5.00 voucher from the Club. That's \$30 in prize money every meeting night! Isn't it time you joined in and made these Table Shows even bigger and more interesting. r.

Finally, a warm welcome to our **new members**. A special mention to Peter and Jacky Jansen who have settled in Springsure and have won 2 classes at our Young Bird Show and had 3 birds selected in the Zone team. We know that your participation in Club events will be rewarding for you. The committee members are only a phone call away!
