## SOCIETY INC.

20 September 2010

Dear Members

ANBC 2010 was a HUGE SUCCESS!!!! I know that the only feedback received has been positive but the Committee is glad that we only host it in our Zone every 7 years. The website was a great source of information. A huge THANK YOU to everyone who assisted, from registration desk to deliveries to stewards to 'runners' to safety officers and the list goes on. Congratulations to exhibitors at our Young Bird, Zone and ANBC Shows. Results of CBS YB Show are included.

The only down side of the Nationals was the sudden passing of our President Brian just after the completion of the Show. The whole Budgerigar fraternity was in shock at this news. The respect that Brian was held in was evidenced at his funeral with a large attendance representing a wide range of Society. It was noted that Bob Bourke, the ANBC Secretary, and Bill Sedgewick representing SQBBA, made the trip back to Rockhampton to show their respect to Brian and his family. Our thoughts and prayers are still with Delia and the family.

The ANNUAL AUCTION in June was another huge success due the efforts of so many people. There were some good stock birds to add to our breeding teams. The profit for the day exceeded last years and will help cover the cost of forthcoming Shows. A big thank you to all members who assisted before and at the event.

Early July saw us at Bunnings on a very chilly day. The softdrink sales were down but the sausages sold well to allow us to make a good profit, just above what we expected to make at this event. This was another example of the great teamwork that exemplifies our Club. Thanks to Phil Burke for your kind donation to the Club for this event

Our recent Annual General Meeting was well attended and completed in what must be a record time. Most positions were filled so we are ready for another successful year. All members are encouraged to bring their birds to the table shows that we have at the monthly meetings. 15 dollars is allocated to Beginner classes in Any Age, Young Bird and Nestfeathers, and another \$15 for these classes in the Open section. The best aspect of these Table Shows is the healthy discussions that the exhibits initiate, with many novel ideas being shared.

Our October Breeder's Show is fast approaching. A schedule is enclosed with this newsletter. **Please note that ALL Nestfeather birds you have bred can be exhibited, as BOTH 2010 (Blue rings) AND 2011 (Purple rings) will be accepted at this Show. Young Birds must be rung with 2010 rings only.** Don't forget the BIRD of the Year Show in December. The venue will appear in the Calendar once this is finalized .

**2011 rings** will be/ have been available from 01 September . Prices are **55 cents** for coded rings and **53 cents** each for uncoded rings. Scott was re-elected as the Ring steward (amongst other positions) and advised at our last meeting that Show Cage drinkers are now available.

All the best for the rest of the year and the current breeding and show seasons.

Kevin O'Callaghan (Hon Secretary)
