Dear Member

On behalf of the committee and all members of the Capricornia Budgerigar Society Inc., I wish you all the best for 2011 and beyond. 2011 certainly looks exciting, with the Zone Show in Townsville and excellent prize money allocated to our shows. The Club is planning an alternative event to the WBC; perhaps an aviary visit to Brisbane or to the Zone Selection Show. It is important that we travel to see the standard of birds at the top end of the spectrum. This gives us the mental picture of the bird we need to breed and perhaps the means or method to achieve that goal. Maybe some useful genetic pieces of the puzzle will be able to be procured at this time.

SUBS for 2011 are \$40-00. There is a discount if these are paid by December 31. However, due to the floods, the \$5-00 discount has been extended to the end of February. If you have paid less than the \$35-00 then please forward the difference to the treasurer before the end of February to take advantage of this offer.

Committee contacts are listed in this newsletter to allow any member to communicate their ideas or suggestions to. Please take the opportunity to do this, or better still, attend a general meeting and share your ideas. You will notice in the Calendar of events that there has been some excellent lectures scheduled for these meetings. Add to that the chance to win \$15-00 in both Beginner and Open sections. The birds get good training and provide excellent discussion topics as they are analysed and discussed after the judging.

Ghalib Al-Nasser, UK/WBO, Jim Fletcher, TAS, Jean Painter, NSW and Alan Rowe, VIC. are the judges for this year's ANBC Show in Canberra. The organisers are progressing well. I have been advised that there are only 3 rooms left at the venue but there is plenty of accommodation at motels within a block of the venue.

It's not long to our ANNUAL SHOW (schedule included). The DERBY winners will share over \$100 this year.

Invitations will soon be sent to breeders to nominate birds for our Annual Auction, with more top line breeders requesting to be a part of this year's event. All CLUB members may enter up to 8 birds. A letter is enclosed in this mail-out. Put those best culls aside for this great event. Nominate before April 15! The sooner nominations are received the sooner the catalogue can be distributed.

Trust this finds you well and looking forward to an exciting 2011. We look forward to seeing you at a Club event. Thank you for your continued support.

Yours fraternally
Kevin O'Callaghan

To all CBS Members

27 January 2011

Dear Member

Following the great success of the 2010 Winter Auction, our Club is again conducting a major Auction on the Queen's Birthday weekend (Sunday, June 12). Birds from top southern breeders and exhibitors as well as from local Zone fanciers will be assembled. It is anticipated that many fanciers from Cairns to the Gold Coast will be attending, as well as several well known inter-state exhibitors. The venue for this year's auction is the Performing Arts Centre, North R'ton High School, Simpson Street, North Rockhampton. Off-street parking from Simpson Street is available.

It is with great pleasure that we invite you to submit birds for benching at this event. It is expected that birds offered will be no more than 2 years of age (rung 2009/10), and that freighting to and from Rockhampton will be organised and paid for by you. However, care of the birds, show cages, benching, etc will be fully organised by the Capricornia Budgerigar Society Inc. (CBS Inc.). The CBS Inc. will retain a 10% commission on the selling price. An entry fee of \$1 per bird also applies.

As part of our advertising we wish to place a catalogue on our club web site to generate interest. It would be appreciated if you could **provide details on the attached proforma** and **return this to me by Friday April 15**. This should ensure that the catalogue reaches cyberspace and can be posted to the fanciers in many Queensland Clubs by the end of April. A photo of a nominated bird or birds can be included for possible use in the catalogue.

It would be appreciated if you could advise me as soon as possible if you are able to provide **up to eight birds**. If you are unable to supply birds then these can be re-allocated as we are limiting the lots to approx 200 to 240 and the demand for lots in this event is strong.

We have also organised a 'Pre-Auction' Meal and 'get-together' on the Saturday evening. This has been well patronised in previous years. It is an enjoyable function and a great opportunity to have a good feed and a great chat to many of the top local and visiting breeders. It's a chance to learn a few trade secrets as well as get some inside information from the breeders of some of the birds being auctioned the next day.

Thank you for your consideration and support. I look forward to your reply and a profitable and successful auction.

Yours fraternally,

Kevin O'Callaghan
