12 December 2014

Dear Member

This is a brief update to conclude what has been a huge but successful 2014 for the CBS Inc and its members.

Firstly, the Committee met this week and wish to extend the Season's greeting to each and every member and their family. It is definitely a time to relax and refresh before meeting 2015 with hope and expectation.

The Club has collected and paid for our new shirts. They are now being embroidered with the Club Logo designed by Carol Batey. They should be ready to collect at the February meeting, but can be paid for now.

Memberships are now due (before January 01). It is important that your Subscriptions are paid before this date as no rings can be released until subs have been paid. The Subscription rate for 2014 is \$40. **This is the LAST correspondence** that will be sent until 2014 Subscriptions have been paid. Thank you to the 13 members who have already renewed their memberships.

Concerning rings, they have been sourced from overseas and their packaging requires that they be posted in padded bags. To this end, please add **\$2.50** to all ring orders that need to be posted. Contact John Agnew, our ring steward, to arrange your payment and delivery. Rings are **60 cents** each and can only be purchased in lots of 25. If they have been paid for, John will be posting the rings on December 29th to maximise the chance of arrival by January 01.

We welcome new members to the Club, and wish you and your families a rewarding and successful association with us in our common interest / passion in breeding quality birds. We look forward to seeing you at a Club event so that we can all meet you and have a chat.

The first meeting of the year is on February 06 at the North Rocky High School. Bring those birds for a practice run and the chance to win one of the three \$5.00 prizes. These meetings have been a highlight in 2014 as members have shown a keen interest to share ideas and learn from each other's experiences. See the calendar for the full schedule of events for 2015.

Thank you for your continued support.

Yours fraternally

You will receive one ticket for showing 1 to 10 birds, 2 tickets for 11 to 20 entries, etc. After the Young Bird Selection Show in 2015, the winner will be drawn.
