Dear Members

Hard to believe that half of 2008 has past. So has our ANNUAL Show, our victorious Wide Bay Capricorn Inter- Club Challenge Show in Bundaberg, as well as our Young Bird , Zone and National Shows.

Our MONTHLY MEETINGS have been well received with the emphasis on discussing many aspects of our hobby. Business is kept to a minimum. The TABLE SHOWS continue to be well supported and ensure that there are birds to be discussed. A reminder that Table Shows have now been split into Beginner and Open sections, with the best any age, young bird and Nestfeather in each section receiving a \$5.00 voucher from the Club. That's \$30 in prize money every meeting night! John Horn enjoyed his first meeting in July, especially when asked to assist in judging the Table Show. Well done John! The feature at the July meeting was a Question and Answer session which prompted much discussion.

Our CONSTITUTION and SHOW RULES are having the final adjustments made and will be forwarded to all members in the near future.

The ANNUAL AUCTION this year was a huge success due the efforts of so many people. This has not only given us improved genetic materials in our breeding teams but has been a great fundraiser. A big thank you to all members who assisted, especially Ron and Russell, two of our newer members who volunteered to assist.

The next fundraiser is the SAUSAGE SIZZLE at BUNNINGS on Saturday July 26. If you can help, even for a short time, please advise the Committee.

The BREEDERS SHOW in October will again offer a large prize money pool for exhibitors. Both Open and Beginner sections will be judged. A schedule is included with this letter.

I recommend that all members log onto the ANBC web page to view the photos of the winning birds at the National Championships. They really do lift our mental standards and give us a clearer view on how we need to improve our birds.

Let's finish the year as we have started, that is, successfully and enjoying this great hobby.

WIDE BAY CAPRICORN INTER CLUB CHALLENGE

SHOW

Capricornia versus Bundy, Fraser Coast and Sunshine Coast Clubs

CONGRATULATIONS TO ALL MEMBERS WHO PROVIDED BIRDS FOR THIS SHOW, held in Bundaberg on the MAY WEEKEND.

Our Club was **SUCCESSFUL** at this Show, with all birds contributing to this excellent result. To prove this point, Scott Eriksen's crested birds allowed us to win as they scored BIG points as other Clubs did not have this variety. Scott said he would have loved to have had better 'crests' but still made these available. Let's all contribute to next year's team effort.

The 2009 WBC Show looks like being conducted on the third weekend in March. All Clubs felt that this allowed our birds a better chance of being properly prepared for the Zone and National Shows in May. In most years it is proposed to conduct this show on the last weekend in March. This will necessitate us adjusting our Annual Show for 2009. Perhaps it will become a selection for the WBC the following week.
