19 January 2009

Dear Member

On behalf of the committee and all members of the Capricornia Budgerigar Society Inc., I wish you all the best for 2009 and beyond. 2009 certainly looks both exciting and busy as we host the Wide Bay Capricornia Inter Club Challenge Show (WBC), travel to Townsville for Zone selections and really get stuck into some solid planning for the 2010 ANBC Championship Show! We all need to support this planning as the proverb states that 'many hands make light work!'

A special welcome is extended to all of our new members. It's great to see you at meetings and other Club events. Note that our February meeting will be held on the SECOND Friday (13<sup>th</sup>).

Last year Club meetings were re-structured to have a major focus on our hobby and the birds we keep. Lectures, forums, power-point presentations and discussions were scheduled and well received. This will be continued this year and is outlined on the calendar of events enclosed with this letter. Some of the lectures that were planned but not given for various reasons in 2008 have been re-scheduled, whilst some new topics will be addressed. If there is a topic you'd like to present or have presented, don't hesitate to contact any of the Committee members. Bring along some birds to make the table show interesting as well as giving yourself the chance to win the cash trophies awarded at each table show. These table shows also help train the birds on the judging process and prepares them for future wins.

It's not long to our ANNUAL SHOW (schedule included). It will also act as our selection for the WBC with both OPEN and BEGINNER Young Bird sections being combined at this Show. Cocks and hens will be judged separately. To allow members to bring more young birds for selection, Members may re-use show cages from the Any Age and Nestfeather Sections (only the winners need to stay in their cage for final judging of major awards at the completion of the Young Bird Section. Other exhibits may be placed in a stock cage and the Show Cage re-used by young birds for the next class.) To further encourage more young birds to be brought, all exhibitors will pay \$10 entry fee to cover all their entries. Bring a stock-cage full of young birds and keep re-filling those show cages! Note that the WBC is held on March 21/22 this year!

Invitations are being sent to breeders to put birds into our Annual Auction, with more top line breeders requesting to be a part of this year's event.

Trust this finds you well and looking forward to an exciting 2009. Looking forward to seeing you at a Club event. Thank you for your continued support.

Yours fraternally

Kev O'Callaghan  
Secretary
