Dear Member

Our past couple of months have been extremely successful, with a big build-up to the Nationals. Our Young Bird Show had a great roll up of birds, with 118 entries vying for selection in the CBS Inc. Team to compete at the Zone Championship Show in Mackay. The results of this Show are included in this letter. It is interesting to analyse the classes that we were short in as this can be an incentive to breed that particular variety. Even birds bred in the next couple of months would be 10 months of age at next year's National Show in June 2013, hosted by the Toowoomba Budgerigar Society.

The Zone Show in Marion, hosted by the Mackay Club, was well run and conducted with a minimum of fuss. The friendly atmosphere made this a most enjoyable event, despite the hectic schedule and the drive back to the motel in Mackay on Saturday night after the meetings and Auction. CBS members won a number of classes and were able to get selections of almost half the team.

The National Show would have been our best result ever if we could have called it 'quits' after Day 1, where we were in strange territory in THIRD place. After Day 2 we had finished in 6<sup>th</sup> place, the same result as in 2011. There were a number of highlights at the Nationals with a good number of our birds placed in the top 7 which is 'top shelf'. Congratulations to the O'Callaghan Family for their success in the Cinnamon Class. This winning bird was commented on by many fanciers at Geelong as a bird of outstanding qualities. A full photo collage of the first 3 placegetters in each class is on the ANBC website, as is a result book of the highest quality. An extract from the result book is included for a quick reference to how the Zone birds were placed.

Our Annual Auction was another huge success with probably the best collection of Auction birds benched for many years at any auction in Queensland. It was successful due the team spirit and team effort that our Club is renowned for. Watch for the date of our 2013 event as it will have to be changed due to the change of the ANBC Show to a June date and the removal of the June Queens Birthday holiday.

The next event on our calendar will be our Breeders Show in October.

As advertised in January, the Club is organising an **aviary visit to Brisbane** to coincide with the SQ BRASEA Auction. This is on the weekend of July 14 & 15. We are intending to hire a bus to ensure all of our members are able to attend. To allow for arrangements to be made, members wishing to join us need to contact the secretary or treasurer by Friday June 29. Final costs are not known at this stage, as the need for a bus will be determined by the number of attendees. If fewer people register, then a mini-bus or cars will be used. The aviary visit will now be to **Henry George's** outstanding stud due to the sell-out of Ken Dunk's stud. This will be on the Saturday afternoon prior to the Auction which is on the Sunday.

Trust this finds you well and enjoying your birds. See you at a Club event in the near future. .

Yours fraternally  
Kevin O'Callaghan Secretary
