Dear Member

Firstly a big 'thankyou' to every member who supported our Club events in recent months. Our **Annual Show** saw another big entry that was comparable to last year's numbers. The **Young Bird Selection Show** saw 142 entries benched. A creditable team was selected and they in turn made a good showing for their owners at the **Zone Show** which as hosted in early June. Congratulations to all members who had birds selected to represent Queensland North & Central Zone held in Adelaide.

The Club has achieved well at the ANBC and although there wasn't a first place it was pleasing to see our members achieving high placings. PBs were the order of the day! See a full list of results on the ANBC Webpage. <http://www.anbc.iinet.net.au/>

Our Auction was another great success with all members pitching in. It's great to see so many visitors come to this Auction year after year, with 39 out of the 43 registered bidders being successful in purchasing a bird or three! 215 birds were benched, with only 20 or so not sold!

The Club's **aviary visit to Brisbane** coincided with the Pine Rivers Auction and was another successful event. This was on the last weekend of August. The aviaries of Brian and Leslie Hollingsworth on Bribie Island were visited on our way to Brisbane, with some top birds seen and a few more hints being shared. We then proceeded to Jamie Wright's in Brisbane where more excellent birds were seen. There was keen interest in a couple of dozen birds that Jamie had culled for us to peruse. It was amazing to see the quality and quantity of birds that can be produced in a small but efficient setup. Can't wait to see what Jamie achieves when the extensions are completed!

The **monthly meetings** this year have been of an excellent standard with the focus being on judging the Table Show birds and discussing the many aspects of the hobby and birds. Our September meeting saw the biggest roll-call for many years and the Lecture by Ian gave good ideas and insight into what to look for in your breeding stock.

Trust this finds you well at this very busy part of the year. Many members are pairing their birds or getting them ready to pair. The new rings are due for release after January 01, so contact our ring steward, John Agnew, to arrange for them to be collected if you are wanting them by this date.

The draw for the pair of birds from Brian Hollingsworth valued at \$600 saw Russell and Cheryl Ogden very excited to take this pair home. The same incentive raffle will run this year but some minor details have been changed. Read the details on the member's page. You become eligible for tickets when you enter birds in our shows. The more birds, the more tickets you will have in the draw! The Breeders Show in November is the first Show to get tickets in the 2015 draw.

We want to welcome new members to the Club, and wish you and your families a rewarding and successful association with us in our common interest / passion in breeding quality birds. We look forward to seeing you at a Club event so that we can all meet you and have a chat.

Thank you for your continued support.

Yours fraternally  
Kevin O'Callaghan Secretary [kevocall@optusnet.com.au](mailto:kevocall@optusnet.com.au)
