Dear Member

Congratulations to all members who entered birds in our Annual Show. It was our biggest Annual Show for a number of years with over 200 entries. It certainly was a good final workout for Scott before he judges the Nationals in June. Reports indicate that there were some quality birds across a number of varieties. It is now time to focus on the ANBC Championship Show and the lead-up events.

Our Young Bird Selection Show is scheduled for May 28. Set-up of the staging is at 7:45am. The team selected will be taken to the Zone Show which will be held in or near Townsville a fortnight later. Details of where the birds will be assembled will be discussed at the June General Meeting which will follow the Show. Our best wishes go to all members who have birds selected to represent our Club, then our Zone and at the ANBC Championship Show in Hobart.

The Schedule for our Young Bird Selection Show is included in this newsletter. There is also a class for Nestfeather birds, ie for 2016 (gold rings) birds that have not broken their cap.

The Club's organised aviary visit and visit to the Brisbane BRASEA Auction has been scheduled for Late August. Try to plan for this event as the Aviary visits have been confirmed for the Saturday, with the Pine Rivers Auction the main focus on the Sunday.

Nominations are being received from non-CBS breeders for our Annual Auction. All CLUB members may enter up to 6 birds with another 2 if you are attending on the day. A reminder that ENTRIES close on May 07, and with many southern breeders being invited, late entries won't be accepted. A spare entry form is included in this letter. Note that the Auction will be held on July 03. Keep that date free!

Trust this finds you well and enjoying an exciting 2016. We look forward to seeing you at a Club event. Thank you for your continued support.

Yours fraternally  
Kevin O'Callaghan
