February 2020

Dear Member,

Here's hoping everyone had a pleasant and enjoyable festive season, leaving us enthused and motivated for the upcoming year, both on the home front and for the breeding and show year.

Our show year kicks off with our Annual show in March. (show schedule in this newsletter) everyone's show team is hopefully picked by now and show preparations underway. Another show in our area worth considering is the Budgerigar Society of Bundaberg on the 23rd February. Always a great show with very friendly and welcoming members. Neale Love is judging this show. For those that don't know Neale, he is a National judge from SQBBA who judged at the World Show in Germany late last year.

I haven't included an article that relates directly to Budgerigars in this newsletter, but an article on the keeping of birds. This may be an eye opener for some, but is definitely of concern to all those in our great hobby. This appears in the Feathered World magazine and is written by Sam Davis, who is a member of the Canary and Caged Birds Federation of Australia and Animal Care Australia. Sam advocates on behalf of these organisations with various Government Departments. In reality he is fighting for our rights as Aviculturists.

Our thoughts go out to one of our members, Qing and his lovely wife who are visiting relatives in China. Although not in Wuhan they will still be affected by the restrictions on travel in China and we hope they are able to return as they planned. Remember while Qing is away, Scott is looking after the service section.

The updated 2020 Calendar of events can also be found in the newsletter. Please note that the date for our Annual Show is now the 21st March not the 14th as previously marked in the calendar. Remember if you have not renewed your membership by now you are unfinancial and not eligible to purchase club rings..

Cheers,
Russell Ogden

- **SHOW & WIN!!!!!!!** Starting at our 2019 Breeders Show, you will become eligible to win a \$200 Credit at our Annual Auction by showing at the 3 Major Shows (Breeders 2019, Annual 2020, Young Bird Show 2020). You will receive one ticket for showing 1 to 10 birds, 2 tickets for 11 to 20 entries, etc. After the Young Bird Selection Show in 2020, the winner will be drawn. The more you show, the better chance you have to win. It is only open to CBS Inc members. You must show at all 3 shows unless you are judging the show or are genuinely ill or have a family emergency. The aim of this incentive is to encourage members to show consistently at all 3 shows. If you have missed out for this year, you can still be in it next year.
- Services Section: The new Club Shirt is now being worn by many members. If you want to purchase one, contact Qing Wu 0455 237 367 Qing will also have a supply of 2020 rings, (60 cents each and sold in lots of 25, postage is extra \$5.00) and show cages and cage fronts if anyone needs some.
- Future CBS Variety of the Year are as follows: 2020 :- Australian White Caps 2021:- Lutino and 2022 :- Normal Green. These are judged at the Annual Show each year.

CCBFA Feathered World Article

Sam Davis

2020 is sure to be a big year in terms of government matters. A bit of a taste of what's to come...

- I'm already presenting at 2 parliamentary inquiries in NSW (in my role with Animal Care Australia (ACA)). One on animal cruelty laws (Feb 13) and another on exhibited animals (April). Both are in response to the Animal Justice Party (AJP) who currently has 2 upper house members in NSW and 1 in Victoria. The AJP is essentially the political arm of the extreme animal rights movement. **Their current policy is to have NO birds in cages of any type.**
- Native animal licensing will need a real push this year to get sorted. I've been in contact with managers of the process in both NSW and WA to get updates. NSW has stalled and I'm waiting on a meeting with the Minister. The WA consultative committee sadly remains a work in progress as well. The ACT matters also will need finalisation. Qld's new system is supposed to begin in April, but experience in other states indicates we must keep some pressure to ensure timely implementation.
- Animal Welfare legislation in both NSW and Victoria is undergoing major revisions that commence in earnest this year. CCBFA is overseeing all aspects of these reviews. Victoria is in the process of employing a team of contractors to work on their revisions and I've already had a few promising discussions with the manager overseeing the process. Similarly, in NSW, we have already met in Sydney with the DPI team examining the overall goals and we put forward ideas we'd like to see in any revised animal welfare legislation. We must be vigilant in this area as the influence of the AJP and other animal rights groups should not be underestimated.

We encourage all clubs to send delegates to our meetings and would particularly value input from any of your members who may have experience dealing with government or with a legal background. Currently there really is quite a small team leading the charge nationally so any expertise in this area within aviculture would be greatly appreciated.

Some Funnies!

Two young children were attending a wedding, when one turned and said to the other. "How many wives is a man allowed to have?" The other replied "Sixteen! four richer, four poorer, four better, four worse."

Teacher : Maria, go to the map and find North America.

Maria : Here it is.

Teacher : Correct! Now, class, who discovered America.

Class : Maria.

Teacher : Clyde, your composition on "My Dog" is exactly the same as your brothers. Did you copy his?

Clyde : No, Sir; it's the same dog.

Teacher : Donald, what is the chemical formula for water?

Donald : HIJKLMNO.

Teacher : What are you talking about?

Donald : Yesterday, you said it was H to O.
