Dear Member,

Our Annual Show has been held and was another outstanding success. Congratulations to all the winners. Results appear in this newsletter. Thanks go to those that helped set up and pulled down everything needed to run the show with a big shout out to Ray from Australian Wildlife supplies for helping set up the staging. It would be nice if some more of our members helped out with these jobs rather than leaving it to the usual few.

Our next event is fast approaching, so get your birds ready for the Clubs Young Bird Selection Show and make this our best selection ever. Do not spot your birds for this show but make sure they are clean and free of vermin, bath if necessary. The show schedule appears in this newsletter. We need a strong team to take up to Townsville to enable our club to hopefully win the Brian West Trophy for top scoring club at the Zone Selection Show. If you are successful in getting birds up to Townsville, please remove the smaller upper spots if you feel confident. The main spotting and dressing of the birds will be done by the team carers, for those successful in getting birds to the Nationals.

With our Annual Auction coming up a fortnight after the Nationals you need to have your entries in to Shayla and Michelle by the 8<sup>th</sup> April, preferably beforehand to enable the catalogue to be collated without rushing. This relieves the pressure on our volunteers.

We also need to get our ring orders for 2025 rings, in to Shayla as soon as possible. This is so they can be forwarded to the zone ring registrar for forwarding to Belgium in time for manufacturing and distributing by December.

Our zone shirts have now arrived and look quite smart, I'll be distributing them to those that have ordered them shortly. Our zone members wearing them to the nationals should look swishy and let everyone know which zone we represent.
